### **NPCA Board of Directors Chair Transition**

Outgoing Board Chair Tony Barclay passed the gavel to newly-elected Board Chair Joby Taylor.

Board Chair Joby Taylor thanked the Board, NPCA staff and NPCA partners for their contributions to the success of NPCA and welcomed the new members of the Board. He congratulated everyone on the increased attendance at PCC-Berkeley over previous years and remarked on the excellent Plenary Session which included the Annual General Membership Meeting. He noted that there have been many new developments since Peace Corps' 50<sup>th</sup> Anniversary in 2011 including: the MOU with Peace Corps, 2015 Bylaws, Board committee charges, Board Emeriti group, and new Vision, Mission and Goals statements.

### **President's Report** – *Glenn Blumhorst, NPCA President and CEO*

President Glenn Blumhorst thanked outgoing Board Chair Tony Barclay for his encouragement, support, and mentoring. He expressed his appreciation to departing Director Tim McCollum for his work on the 2014-2018 Strategic Plan and the value proposition. He also thanked Lie Njie of NorCal PCA and NPCA staffer Kate Schwanhauser for coordinating PCC-Berkeley and making it a successful convention for all.

The President reported that among the highlights for the second quarter are: inclusion of a message about NPCA in COS materials by Peace Corps; establishing a Membership Standing Committee; the launch of the CALL (Cultural Agility Leadership Lab) program; Board approval of three new Affiliate Groups; PCC-Berkeley registrations are close to 500; a proposal for All Resources Connect has been submitted to the Paul Allen Foundation; a successful Affiliate Group Network Annual Meeting; the PCC-2015 Awards; and that NPCA is a convening partner on the Employers of National Service (EONs) initiative.

The President presented an update of progress on the Operating Plan and submitted a special report on the progress of the database upgrades. He noted that work on the database has been hampered by limited cash flow. The vendor is requesting payment of overdue invoices prior to installing any further upgrades. Some of our key improvements are dependent on upgrades.

In response to questions from guests about the matching grant for mentoring/database upgrades, the President confirmed that all funds raised for database support were sequestered (restricted to IT) and invested in consultant and staff time for deduping, purging and merging data. Vice-President Anne Baker noted that the database has improved back-end functionality and will enable a searchable directory.

#### **Treasurer/Finance Committee Report** – *Dennis Grubb, Treasurer*

The Finance Committee reviewed the 2014 Auditor's report prepared by the accounting firm of Jones, Maresca & McQuade and recommends that the Board approve the report as submitted.

#### **MOTION 6: The NPCA Board of Directors approves the 2014 Audit as submitted.**

The motion by Mal Warwick was seconded and carried.

Treasurer Dennis Grubb reported that although the deficit has been reduced in the last two years, we cannot continue to operate our programs without more and sustained revenues. An increase in both individual contributions and membership is needed. Grubb pledged to recruit five new Shriver Circle donors and 100 new members and urged other Directors to make similar pledges.

#### **Business and Development Committee Report** – *Sandra Bunch, B & D Acting Chair*

The Committee included three documents in the Board Book for discussion:

##### **1. Gift Acceptance Policy**

This policy is essential to the continued fundraising and donor cultivation strategy for NPCA as it provides a decision-making framework for staff and clearly articulates the guidance on donation acceptance, recording and recognition. There was a discussion of when a pledge is acknowledged and other details. The B & D Committee will continue developing this policy.

##### **2. NPCA's Peace Corps Community Endowment**

This financial mechanism, reflected in the NPCA's strategic plan, is essential for Legacy of Peace and other larger giving campaigns, as it will reinforce the long-term mission of the NPCA. The plan is to implement a passive campaign to raise the \$10,000 minimum required to open the endowment at Silicon Valley Community Foundation and then maintain a quiet campaign for now. A B&D sub-committee was assigned to further develop the endowment fund plan. Sandra Bunch, Corey Griffin, Joby Taylor, and Mal Warwick volunteered.

### **3. Peace Corps Community Fund**

This fundraising mechanism is needed to support campaigns and activities that support the broader Peace Corps community. It is an interim step toward establishing the “Peace Corps Foundation” discussed at earlier Board meetings and approved in the NPCA’s strategic plan. Steps are being taken to move with this as a “fund” because it provides more flexibility and expediency than a foundation.

The NPCA is now launching a Next Step Travel education trip to Cuba (October 2015) and considering similar trips to Iran and Morocco. In May net income from Next Step Travel and the CALL program exceeded \$15,000. This area has clear potential for growth as a revenue generator for NPCA.

**55<sup>th</sup> Anniversary & PCC 2016 Steering Committee Report** – *Glenn Blumhorst*

A steering committee is in place to plan PCC-2016 to be held in conjunction with the Peace Corps 55<sup>th</sup> Anniversary in Washington DC in September 2016. A new task force led by Chuck McConnell will create a "cook book" to capture best practices and serve as a guide for future planning of the annual PCC conventions. McConnell will also assume the chair position of the steering committee, vacated by Kristina Owens' retirement. Maricarmen Smith-Martinez, Joby Taylor and Glenn Blumhorst are the other NPCA Board members on the steering committee.
